Website : <https://vaishnavi-varma.github.io/Portfolio/>

Phone : +918600387778

Address : 360/61, CENTRE STREET, CAMP, PUNE

About Me:

I'm a highly motivated person with an ability to learn and adapt quickly to new projects and environments, very enthusiastic to learn about technologies and enjoy interactive discussions. I'm also really good at multi-tasking and time management, and curious to know more about everything.

Work experience:

ShapeAI

July 2021 – Oct 2021

Intern

- I was as an intern at an Ed-Tech Company named Shapeai. It was a 11 week-long internship and I was getting trained as a Full Stack Web Developer. While getting trained I completed 8 projects related to above mentioned full stack developing. Now, I am a certified web developer MERN.
- Check the website link to get a better understanding of my work during this internship.

Education:

BE Electronics and Telecommunication

Aug 2017 — Present

AISSMS Institute of Information Technology

Still pursuing, currently in final year with CGPA 9.89

X11TH Boards

JUNE 2016 — March 2017

Rosary Junior College

In HSC Boards I secured 59.08%

Xth Boards

June 2014 — April 2015

Rosary High School

In SSC Boards I secured 81.40%

Projects:

1. **Simple Robot** : Rosary Junior College Nov 2016 I made a robot using IR Sensor for National Science Day event held at my junior college. I was leading the group and our project won 3rd place at the event.
2. **Hydroelectric power plant** : AISSMS Institute of Information Technology Oct 2017 In 1st year I made a mini hydroelectric power plant for Engineer's Day
3. **Radar System** : AISSMS Institute of Information Technology Nov 2020 Made a mini project, named radar system

using ultrasonic sensors Arduino and a servo motor

4. **Human Following Robot** : AISSMS Institute of Information Technology Oct 2021 Major project using Arduino, motor driver shield, gear motor and wheels set, servo motor, ultrasonic sensor, li-po battery, dc power switch
5. **Front End Development** : Sept 2022 **Zomato and Netflix Clone** website using HTML, CSS JavaScript, **Task Management Website** - Task management web page using HTML, CSS and JavaScript, **To Do List App** - Create, Edit, Mark as completed, Delete these all operations can be performed using my app, **Book My Show** using HTML, CSS, JavaScript, API's, NodeJs, Bootstrap.

Skills:

1. Front End Development
2. HTML, CSS
3. JavaScript
4. Python
5. C

Courses:

1. Full Stack Development - ShapeAI Jul 2021 – Oct 2021
2. Front End Development - Codekaro Oct 2021 – Present
3. Internet Of Things – Internshala Trainings Oct 2021 – Nov 2021

Interests:

1. Cycling
2. Travelling
3. Cricket
4. Photography
5. Playing video games
